AMOENIA is the perfect line that combines the beauty and delicacy of the body with respect for the environment around us, providing an exclusive wellness experience.

Formulated with Cosmos-certified natural ingredients, it is a collection that is perfectly suited to all skin and hair types, thanks to the guarantee of products that are dermatologically tested on sensitive skin, offering uncompromising safety and delicacy.

The formulation of the entire line has been carefully chosen in each of its component to ensure maximum quality and effectiveness, thus respecting both the body and the environment.

amoenia

Nature calls.
And Amoenia answers.

THE COSMOS ORGANIC &
COSMEBIO CERTIFIED COLLECTION

certifications

Cosmos Organic by Ecocert Greenlife = certification that guarantees: formulation based on the requirements of naturalness and green chemistry; limitation on chemical synthesis and extraction methods and processes; control of all aspects of sourcing, production, sale of raw and cosmetic products; certification and control carried out in compliance with the requirements of EN 17065. It also ensures that **formulations contain at least 95% natural ingredients and at least 20% ingredients from organic cultivation.**

Cosmebio = label that guarantees the use of **at least 95% ingredients of natural origin and the absence of controversial ingredients.** It also guarantees respect for the environment, employees and partners, as well as for animals and transparency towards the consumer.

COSMOS ORGANIC certified by Ecocert Greenlife according to the COSMOS specification available at <https://COSMOS.ecocert.com>

top notes

ORANGE
PETITGRAIN

middle notes

CINNAMON
CLOVE
EUCALYPTUS

base notes

BENZOIN RESIN
PATCHOULI
CEDARWOOD

A 100% natural fragrance made exclusively from precious vegetable raw materials, the essential oils. A perfect combination of the citrus notes of orange and petitgrain with a spicier heart of cinnamon, clove and eucalyptus. To enrich the fragrance, a woody base of patchouli, cedarwood and benzoin resin.
