SPEZIERIA DI SAN MARCO

Established in 1437 in the vibrant heart of Venice, the Scuola Grande di San Marco intertwined its destiny with that of the **Spezieria di San Marco**, becoming the guardian of an ancient and precious art: the art of apothecary. In the past, Venetian Spezierie were workshops where botanists and alchemists transformed herbs and natural essences into medicines and elixirs of long life. Under the noble gaze of the Lion of St. Mark, the eternal symbol of Venice and protector of its history, the Spezieria di San Marco evokes that golden age.

ANCIENT APOTHECARIES

Spice shops were workshops where, in ancient times, natural medicines were prepared and sold. Today, these places could be compared to modern pharmacies.

AQUA MIRABILIS

“Aqua Mirabilis” was created in 1600 by Giovanni Paolo Feminis. It was from the “Aqua Mirabilis” formula that the original Eau de Cologne Farina was formulated.

EMBLEMATIC LOGO

The lion of Saint Mark is a winged lion that symbolically represents Saint Mark the Evangelist, patron saint of the city of Venice.

SPEZIERIA DI SAN MARCO

OLFACTORY PYRAMID

This exclusive fragrance interprets **Eau De Cologne** in its purest form. Bergamot gives the fragrance an extremely rich, sweet and fruity top note, followed by herbaceous and balsamic nuances; Lemon joins in with a sparkling, sunny and sugary impact, along with sweet and tart Orange. At the heart, fresh and floral petitgrain recalls orange blossom with a woody and herbaceous nuance, while fresh and airy neroli, with an aristocratic soul and green inflections, will take you to a higher level of pure elegance. The fragrance is completed with two musks, Serenolide and Helvetolide, the former elegant with comforting, welcoming and soft effects, the latter linear, rich and warm.
