COSMETIC SOLUTIONS

A person is seen from behind, standing in a calm, greenish pool of water. The background is a dark, cavernous space with a large, prominent palm tree on the left and rocky walls covered in moss and other vegetation. The lighting is dim, creating a serene and mysterious atmosphere.

Natural solutions. **Natural Lab** is the **ICEA-certified line** that rewards and recognises collections that respect the well-being of the body. Thanks to raw materials selected according to a strict specification that bases its principles on the most **Organic, Ecological, Natural and Ethical** concept. An amenities line inspired by delicacy, to respect environment and body, together.

a look towards
sustainability

ICEA standards compared to traditional cosmetics imply:

- exclusion of substances that may harm health;
- total rejection of GMOs and animal testing;
- no use of ionising radiation for sanitization;
- use of certified agricultural products, wherever available;
- attention not only to product formulation, but also to packaging.
