HAVANA®

WELL-BEING AND BEAUTY WITH OLYGOELEMENTS

FROM THALASSOTHERAPY,  
HAVANA GATHERS ALL THE BENEFICIAL  
PROPERTIES OF ITS ELEMENTS TO GIVE  
YOU WELL-BEING AND VITALITY

A fresh sea breeze, a salubrious current of well-being containing the exotic essence of the ocean.

A line inspired by thalassotherapy, reaping the **benefits of the sea and the oligomineral tradition** that revitalises body and mind and gives the skin a wave of freshness. A sea essence to counter fatigue and stress.

## AMENITIES COLLECTION

The practical 30 ml format, accompanied by a flowpack soap wrapped in recyclable paper, is the perfect solution to offer an impeccable service with attention to detail.

BOTTLE AND CAP IN RECYCLABLE PLASTIC.

SOAP: FLOWPACK IN RECYCLABLE PAPER.

## DISPENSER LINE

The 300 ml refillable and practical dispensers are the ideal choice to ensure service with a special focus on sustainability. For even more efficient use, 5L canisters are available for refilling.

DISPENSER: BODY AND PUMP IN RECYCLABLE PLASTIC.

## COSMETIC SOLUTIONS

Havana's formulations encapsulate the regenerating essence of thalassotherapy. Precious dead sea salts, combined with a rich concentration of **essential oligoelements** such as copper, magnesium, iodine, calcium, manganese, sulphur, potassium, iron, phosphate and zinc, care for the skin, improving its elasticity and counteracting the signs of ageing. This mix of precious ingredients nourishes the skin, while gently restructuring and remineralising the scalp. Havana reveals itself as a complete beauty ritual, capable of renewing the body every day with new energy and vitality.

## OLFACTORY PYRAMID

A mix of currents and spices makes the fragrance of Havana iridescent: clove and nutmeg are complemented by a distinct note of pine, artemisia and camphor. Filling out the fragrance is a dash of vanilla and a woody resilience that dips into an overwhelming blend of marine essences.
