A LINE THAT LOOKS TO THE FUTURE

Find Your Eco is the line of cosmetics that embodies the perfect harmony between sustainability and beauty. The entire range has been designed, formulated, produced and packaged according to the strict **Ecolabel** regulations, to **ensure minimum environmental impact with equal quality**.

An invitation to sustainable living,
a personal recommendation,
a little beauty,
a little bit green.

Three words of cosmetics that
sound really good and
resonate even better.

A real cuddle

THE OLFACTORY PYRAMID

A fragrance with sweet and musky tones thanks to the rich and creamy notes of coconut and almond milk. In the base, warm and reassuring notes of sandalwood and vanilla give an enveloping and sumptuous aspect.

top notes COCONUT

heart notes ALMOND MILK

base notes MUSK | SANDALWOOD | VANILLA
