THE SCIENCE IN A TUBE

3 ACTIVE INGREDIENTS

that come together to give an intense hydration.

[A cream with a light and velvety texture, able to hydrate the skin, leaving it smooth and soft.]

FOR EACH CREAM... AN EXTRA INGREDIENT

For even more well-being!

APRICOT - Sweet Caress

MILK PROTEINS

The emollient and nourishing properties of milk proteins create a barrier against dryness and skin dehydration, guaranteeing a delicate natural balance and respecting the PH of the skin.

OLYGOS - Sea Essence

TRACE ELEMENTS

Olygos formulation contain all the benefits of Thalassotherapy. Dead sea salts, along with a concentration of trace elements (copper, magnesium, iodine, calcium, manganese, sulphur, potassium, iron, phosphate, zinc) act on the skin, improving the elasticity of the tissue and prevent aging.

ENERGY - Green Tea

CAMELIA SINENSIS AND GINKGO BILOBA EXTRACT

The stimulating, energising and refreshing green tea extract has been cleverly mixed with Ginkgo Biloba, a powerful antioxidant, capable of preventing the damage caused by free radicals, helping to control the effects of aging.

ZAGARA - Bloomy Garden

A.C.E. MULTIVITAMIN COMPLEX

The A.C.E. multivitamin complex contained in Zagara, is a great ally to prevent and combat the signs of aging: it helps to nourish the skin, giving brightness and hydration.

500 ML DISPENSER

WITH WALL BEARING

- Easy to assemble and versatile, since it can be secure using screws or glue
- Anti-theft lock;
- High resistance;
- Easy and quick to clean.
