ENERGY

GREEN TEA

With Camelia sinensis and Ginkgo Biloba extracts, for regenerating and energizing break of well-being.

Rich in tannins and polyphenols, the **Green tea** extract is characterised by its dermopurifying and antioxidant properties, while **Ginkgo Biloba** helps to improve the elasticity of the skin, giving it nourishment and a healthy and shiny look. From the combination of these two extracts, the amenities line Energy is born and it's precious for both the content and its lively fragrance, created to give freshness and energy.
